Cambodia Southeast Asia Disaster Risk Management Project 2  
(Project ID: P177185)**

**Request for Expressions of Interest  
National GIS Specialist  
(12 months over the period of 48 months)**

1. The Royal Government of Cambodia (RGC) has obtained financing from the International Development Association (IDA) towards the cost of the Cambodia Southeast Asia Disaster Risk Management Project II for rehabilitation and upgrade of Rural Roads in Cambodia. The proposed PDO is to be achieved through the following components: (1) Institutional strengthening for disaster resilience at the national level; (2) Resilient rural transport infrastructure reconstruction and maintenance; (3) Project Management; and (4) Contingency Emergency Response.
2. The National GIS Consultant to be selected will be based in the Project Management Unit, Ministry of Rural Development and responsible for providing capacity building, managing data collection relevant to the project, mapping and spatial data management, and support to project component teams of PMU of DRMP 2 to implement, coordinate, and monitor civil works progress activities following the agreed and applicable procedures and guidelines. In doing so, he/she must work in close consultation and cooperation with PMU-MRD staff.
3. Minimum Key Qualifications:
  1. Has at minimum a bachelor's degree in GIS/Remote Sensing and Modelling.
  2. Has minimum 5-year experience in GIS/Remote Sensing and analysis, GIS and web-based ArcGIS, spatial data collection, manipulation and database development and management, preferably with experience of using existing flood models and GIS resources within Cambodia. The specialist shall have solid experience of working with GIS databases and developing/applying GIS based mapping and information tools in the transport sector is required, including experiences in large scale national projects requiring GIS mapping.
  3. Fluency in Khmer language and has good command of written and spoken English.
  4. Provide training on the use of Drones. As such, the GIS specialist is expected to be qualified as a drone pilot, considering the safety issues that need to be taken into account. If the GIS is not qualified as a drone pilot, the project will cover the cost for the GIS specialist to become qualified under a globally recognised drone pilot qualification (e.g., the US, Australia, Singapore, EU pilot licenses) through a training program.
4. Contract Duration: The National GIS Specialist is contracted for 12 months over the period of 48 months.
5. The Ministry of Rural Development invites expressions of interest from qualified and experienced candidates to undertake the above mentioned services which are further detailed in the Terms of Reference for the assignments. The National GIS Specialist will be selected in accordance World

Bank Procurement Regulations for Borrowers under Investment Project Financing (IPF) dated July 1, 2016, revised November 2017 and August 2018 and November 2020 (Fourth Edition)

6. In submitting their expressions of interest, Candidates must provide their updated curriculum vitae, indicating professional skills, academic qualifications, and experience in similar assignments, along with the names of at least three (3) referees with contact information (e-mail address, telephone or fax numbers).
7. Interested candidates can request for the detailed Terms of Reference (in English) for the assignment from the address below during office hours from 8:00 to 12:00 and from 13:30 to 17:30 hours, Monday through Friday, except public holidays.
