Circular 1

N°	Question	Answer
1	Based on Section IV. Bidding Forms page 56, Form E/QUAL: Continued Eligibility and Qualification, we would like to request a “Form QSC-5.1: Certification” because we could not find any form as above-mentioned within bidding document.	With reference to Section IV. Bidding Forms, Form E/QUAL: Continued Eligibility and Qualification, “Form QSC-5.1: Certification” is not applicable.
2	Based on Section IV. Bidding Forms page 56, Form E/QUAL: Continued Eligibility and Qualification, we would like to request clarification on the second option stated that “Mark the form(s), containing changes in the eligibility and qualification information and attach the form(s) to the Bid”. Therefore, we would like to ask if we must submit all forms or submit only forms that are marked containing changes of information.	<p data-bbox="1021 544 2083 762"><i>Please refer to Section I. Instructions to Bidders, 17.1 “In accordance with Section III, Evaluation and Qualification Criteria, to establish that the Bidder continues to meet the eligibility and qualification criteria used at the time of qualification under the NCB N° RID4CAM-WR-SRP/Lot 5* published on April 10th 2023, <u>the Bidder shall submit the Form E/QUAL, as stipulated in the Section IV – Bidding Forms, and updated information on any assessed aspect that changed from that time</u>”.</i></p> <p data-bbox="1021 810 2083 986">If the information provided in the application, demonstrating the ability to meet the eligibility and qualification requirements, has changed since the time of NCB N° RID4CAM-WR-SRP/Lot 5, RID4CAM-WR-BTB/Lot 11 and RID4CAM-WR-BTB/Lot 14, mark in the Form E/QUAL the form(s) containing changes in the eligibility and qualification information and attach these form(s) to the Bid.</p> <p data-bbox="1021 1034 2083 1072"><i>*also valid for RID4CAM-WR-BTB/Lot 11 and RID4CAM-WR-BTB/Lot 14</i></p>
